

Bauder Limited, as an ISO 14001 registered Company, is committed to reducing the impact of its activities on the environment and assisting our suppliers, approved contractors and customers by encouraging them to use sustainable resources.

To this end Bauder has implemented an environmental management system to integrate the assessment, supervision and control of environmental issues to continuously improve its environmental performance.

In order to meet this commitment the Organisation will pursue the following objectives:

- To ensure compliance with all applicable environmental legislation and regulations, including Codes of Practice and other requirements relating to site installations
- To reduce emissions and prevent pollution
- To improve waste management practices in our own activities and on site
- To reduce consumption of natural resources
- To minimise noise and other nuisances
- To assist in the management of ecology especially in all green roof installations
- To continuously assess its environmental performance
- To assist in the investigation of environmental incidents in which it is involved on operational sites
- To make its environmental information available to interested parties

The necessary personnel and financial resources will be allocated to assist the Organisation in meeting its environmental objectives and targets that will be reviewed as appropriate. In addition the Organisation will continue to raise levels of environmental awareness throughout its workforce and to promote this awareness to its approved contractors, customers and suppliers.

The Organization is committed to operating its Environmental Management System in a manner that attains and sustains compliance to the international Environmental Management Standard ISO 14001.
