

Bauder Ltd, an ISO14001 registered company, is committed to a policy of effectively managing environmental performance in order to minimise the impact of our business process and manufacturing production on the environment and the community.

Our objective is to integrate the assessment, supervision and control of environmental issues into the management of our business. We will:

- Assess the environmental impact of our operations from conception to conclusion so as to prevent pollution of the external environment.
- Commit to using recycled materials or those with low environmental impact wherever is reasonably practical in our waterproofing systems.
- Minimise waste throughout our manufacturing processes by recycling materials back into the production line.
- Monitor and reduce our emission levels of dust, CO₂ and NO₂ in manufacturing production.
- Ensure compliance with all relevant environmental legislation as a minimum and, where practical, approve codes of practice and other requirements such as those specified by our clients.
- Incorporate sustainable environmental considerations into our design standards and construction practices.
- Develop and implement objectives and targets to ensure a continual improvement in our environmental performance.

Bauder Ltd management is responsible for the implementation of this policy statement and for ensuring environmental risks are assessed and appropriate management controls are implemented in accordance with the Bauder Group standards.

All employees and contractors are expected to co-operate with Bauder Ltd in the implementation of the Environmental Policy and will ensure that their own work, as far as is reasonably practical, is carried out with minimum risk to the environment. Feedback will be encouraged so as to continually improve our environmental management processes.

This Environmental Policy document is continually monitored and developed and will be formally reviewed annually. However, in exceptional circumstances this Policy may be amended as required by changes in legislation or work practices.

Signed for and on behalf of Bauder Ltd

Andrew Mackenzie
