

BauderGREEN AL 150 edge trim

06/05/2025

Product description	A 150mm high edge trim for green roofs
Application	The BauderGREEN AL 150 is designed for use with Bauder substrate systems. The product retains the green roof build-up at the perimeter and allows drainage. It comes with joint sections for connecting lengths together and forming corners.
Colour	Aluminum
Article number	GB50132150

Characteristic	Unit	Value
Size	mm	150 x 146 x 2500
Nominal thickness	mm	1.5
Weight	kg/m ²	6 per length
Delivery Form		Individual lengths + 1 joint
Joint weight	kg	0.26
Joint Section	mm	150 x 150
Delivery Form		Wrapped in polypropylene on oversized pallet

Installation guidance	The trim is fixed to the waterproofing with strips of the waterproofing membrane. Refer to the Bauder Green & Blue Roof Installation Guide.
Product storage guidance	The product can be stored outside on the delivery pallet if applicable (care should be taken to insure there is no damage to the trim). Where there are storage containers on site, these may be suitable for storing products. This product is non-combustible.
Pallet size	Circa 150 lengths per oversized pallet
Packaging material	Supplied loose, wrapped in low density polypropylene & cardboard corner protectors.
Handling/PPE	All persons using the product should be fully aware of the manual handling methods as roofing materials are heavy and can cause serious injury. When using/handling the product, installers should be provided with, and wear, suitable personal protective equipment.
Shelf life	When stored correctly this product has no stated shelf life.
Recycled Content	No recycled material
Disposal guidance	Waste of the product is not a hazardous substance and can be recycled.
Further information/documents	Current documents such as DoC's, DoP's (where relevant), brochures, installation guides, etc. can be found by visiting www.bauder.co.uk
Safety Data Sheet	Safety Data Sheets are designed to provide the necessary information to recipients of substances and mixtures in the EU & UK. This product is classed as an article; therefore, this product does not have a requirement for a Safety Data Sheet.
