BauderGREEN ER Z-K

drainage channel connection clip

17/03/2025

Product description	Connection clip/connector for connection between two BauderGREEN ER MR 150/60 drainage channels
Application fields	The BauderGREEN ER Z- K connection clip connects lengths of BauderGREEN ER MR 150/60 drainage channel enabling sections to be fitted at 180 or 90 degrees with exact alignment.
Colour	Silver
Article number	7432 0100

Characteristic	Unit	Value
Material	-	stainless steel
Width	mm	≈68
Length	mm	≈94
Delivery form	-	25 pieces per box

Installation guidance	Insert the connection clip at the head end of the channel bottom with the tabs facing upwards into the recess provided. Connect the connecting gutter in the same way and push on to form a gap-free connection. The connection clip thus enables several gutters to be laid in a row with an exact fit and alignment.
Product surface finish	Accessories for BauderGREEN drainage channel
Product storage guidance	The products must not be exposed to a direct naked flame, or to solvents or other chemicals. Ensure the product(s) are clear of buildings and any other storage areas. Where there are storage containers on site, these may be suitable for storing products.
Pallet size	not palletised
Handling/PPE	All persons using the product should be fully aware of the manual handling methods as roofing materials are heavy and can cause serious injury. When using/handling the product, installers should be provided with, and wear, suitable personal protective equipment.
Shelf life	When stored correctly, the product has no stated shelf life.
Packaging	The product will be delivered in cardboard boxes
Disposal guidance	Waste of the product is not a hazardous substance and can be recycled.
Recycled Content	varies
Further information/documents	Current documents such as DoP's (where relevant), brochures, installation guides, etc. can be found by visiting www.bauder.co.uk
Safety Data Sheet	Safety Data Sheets are designed to provide the necessary information to recipients of substances and mixtures in the EU & UK. This product is classed as an article; therefore, this product does not have a requirement for a Safety Data Sheet.
