Bauder treats personal data collected while managing your Job Application in accordance with our Data Protection Policy. Information about how your data is used and the basis for processing your data is provided in our Job Applicant Privacy Notice, this is published to our website within the Careers Section <https://www.bauder.co.uk/about-us/careers/current-vacancies> or available upon request from the HR Department.

Introduction, about us:

Bauder is a leading international manufacturer of building construction materials. We provide our clients with a complete technical roofing solution and package from inception to completion, to meet their every requirement. Our service is centered upon our dedication to provide a waterproofing system that fully understands all the individual issues of any project and fully responds to the needs of the client.

Our flat roof systems are designed to provide a high quality, single source solution for every application and client need. Whether green roofing to bitumen membrane, and from hot melt to cold liquid applied, right through to BauderSOLAR PV panels, giving energy for sustainability.

Bauder flat roofs represent an industry leading commitment to deliver technologically advanced roofing products, which meet the diverse needs of the roofing industry in terms of budget, performance and function of the highest quality. The Bauder name synonymous for quality, design and service.

Our people focused culture originates from a strong family ethos and the belief that our success is determined through our people, who are at the very heart of what we do. We place great attention to detail on recruiting the right person, team fit is as important to us as skillset and people join us for a career and not just a job. We have fun whilst we work and reward, recognise and develop the capabilities of our people. The commitment from all our people undoubtedly drives the high levels of business performance and success enjoyed today.

'you work with friends not colleagues' (Area Technical Sales Manager)
'the Company really looks after you as a person' (Technical Administrator)
'there is a strong commitment to employees and sense of trust and fairness' (Manager)

Would you like to be part of an extremely successful, team spirited business, with a motivated people driven culture? A business which focuses upon building your career, supporting and encouraging your development and fostering autonomy, ownership and accountability. We offer a highly competitive remuneration package and lifecycle of benefits, designed to protect you and your family. Our accolades validate our employer credentials, we are the first in our sector to be awarded the prestigious Investors in People Platinum award and are proud to be one of only 78 Platinum accredited organisations in the UK.

Objective:

A technically biased candidate is sought to join our Southern Sales Team providing on-site and administrative support to a busy Regional Technical Sales Team. Reporting into the Regional Manager ideal candidates should have a good understanding of flat roofing or construction/surveying and originate from a Technical function with experience within construction with a technical/construction industry based qualification.

This new role will provide support to the regional technical sales team through provision of Site surveys, inspections, technical sales support and general administration. Candidates should be highly professional and polished and possess a team orientated, pro-active and motivated approach with a hands-on can-do attitude.

Outline of Responsibilities/duties:
