PRODUCT INFORMATION AND TECHNICAL PERFORMANCE		
Characteristic	Unit	Height Adjustment Kit
Bracket Material		Stainless Steel
Height	mm	75 – 120mm
Feet Material		Polyamide
Supply Form		Comprising of 4 feet (in two pairs) = 2 brackets
Note: this product requires additional products to complete the system		

PRODUCT INFORMATION AND TECHNICAL PERFORMANCE		
Characteristic	Unit	Inspection /access Cover
Size: Small	mm	250 x 250
Large	mm	400 x 400
Weight: Small	Kg	3.5
Large	Kg	4.0
Height Adjustment	mm	80-110
Supply Form		Single cover
Note: this product is designed to give maintenance access to roof outlets		

CERTIFICATION AND ENVIRONMENTAL INFORMATION	
International Standards Organisation (ISO)	ISO 9001:2015 Quality Management Certificates EN1271 (UK) and 70499/03-15_e (Germany). ISO 14001:2015 Environmental Management Certificates A10552 (UK) and 70499/03-15_d (Germany). ISO 50001: 2011 Energy Management Certificate 70499/03-15_c
Recycled content	NA

INSTALLATION GUIDANCE
Commonly installed at doorways and thresholds. Normally installed onto the protection mat directly above waterproofing. Linear drains require a pair of feet at each end and connectors to clip one length to another. See the Bauder Green Roof Installation Guide for full details.
